A Message from President Eric J. Barron

Safety is critical at The Florida State University. Everything this institution works to accomplish is predicated upon the assumption that we can study, work and live in an atmosphere free from undue fear, risks or criminal activity.

The University administration and its Police Department will do everything we can to make your Florida State University experience as pleasant, productive and safe as is humanly possible. But safety must begin with you! It is important that you are always aware of your surroundings and the people and situations around you. This will ensure that you are doing all you can to protect your own safety as well as the safety of others.

This Seminole Safety Guide includes a wealth of information about many programs and activities, and I encourage you to review it thoroughly. Together we can reduce threats to our safety and concentrate on the goals that have brought us to Florida State University.

A handwritten signature in black ink that reads "Eric J. Barron".

A Message from Chief David L. Perry -- FSU Police: A Leader in Public Safety

The Florida State University Police Department (FSUPD) is committed to providing Florida State University with a safe environment conducive to the goals of education and research. Although reported crime at Florida State is relatively low, it is important for students to remember that we are not immune from criminal activity. Therefore, we share many of the crime and safety issues that exist in any city. In partnership with the community, we work to prevent crime and solve problems that affect students, faculty, and staff. The safety and security of the University is the combined responsibility of the entire Florida State University community.

To maintain an effective working relationship with the community and to respond to its needs, the FSUPD is organized into four twelve hour shifts that work 24 hours a day, seven days a week. Officers conduct visible patrols, respond to reports of crimes, address problems, and provide information and resources to the community. This information - which includes many practices, procedures, and safety tips for keeping safe at FSU, are delivered in several ways. It is published annually in the Annual Safety Guide, which appears on the website (www.police.fsu.edu), and is discussed in safety talks that are conducted by police officers at student orientations, new employee orientations, and other gatherings. Community members interested in arranging a safety talk should contact the department for scheduling.

I encourage all students, faculty, staff and visitors to be aware of the resources offered from the department and innovative equipment being utilized daily. Our officers are committed to initiating and maintaining close ties with the community. Feel free to stop by our headquarters at the corner of Jefferson Street and Woodward Avenue in W.A. Tanner Hall to ask any questions about security issues that are important to you. Also, by taking the time to familiarize yourself with our resources and by using the information

provided on our website, you will be helping us to help you in the pursuit of a safe campus. Feel free to contact me with questions or suggestions.

FSU Police

PRIDE ♦ ENTHUSIASM ♦ PROFESSIONALISM ♦ INTEGRITY

The FSU Police Department is a fully commissioned, professional force of police officers. This was validated on May 22, 2002, when the Department was awarded accreditation status by the Commission on Florida Law Enforcement Accreditation (CFA). Since, the Department has been re-accredited in 2005, 2008 and again in July, 2011. This accreditation signifies that the FSU Police Department meets or exceeds the highest professional standards set for law enforcement agencies, sworn officers, and non-sworn support personnel. Only 100 of the more than 300 agencies in the State of Florida have received this distinction of excellence from the CFA. FSU police officers are trained and certified the same as county and municipal officers in the state of Florida. Additionally, all newly-hired officers are required to complete a thirteen week field training program in order to apply law enforcement skills within the Florida State University environment. Consequently, FSU police officers are prepared to provide a full range of law enforcement services in an environment that requires additional care and understanding of the uniqueness of an educational community. The officers are authorized to carry firearms and make arrests on property controlled by the FSU Board of Trustees. In 2009 legislation was passed authorizing the FSUPD to enforce laws within 1000ft of any campus owned property. In addition to this the FSUPD has a written mutual aid agreement with both the Tallahassee Police Department and the Leon County Sheriff's Office. These agreements also extend extra-jurisdictional authority to the FSU Police Department in other parts of the city in order to carry out investigations and perform other duties. The Department uses uniformed officers to patrol the campus 24 hours per day – on foot, in automobiles, on motorcycles, all-terrain vehicles and on bicycles. Using a well established cooperative relationship with local law enforcement, area agencies regularly report to the FSUPD students who have been arrested for off campus offenses.

SAFETY AT FLORIDA STATE

www.CrimeReports.com

Working with over 900 agencies across North America, CrimeReports is the largest online resource for accurate, up-to-date crime information. The CrimeReports network offers a family of affordable, easy-to-use software tools for law enforcement agencies to understand crime trends and share current neighborhood crime data with the public. Community members can access the integrated crime map and receive email crime alerts for free at www.CrimeReports.com, empowering them to make informed decisions to help improve the safety of their neighborhood and community. To view the Florida State University Campus, type in the location bar: 830 W. Jefferson St., Tallahassee, FL.

FSU Guardian

FSU Guardian is a new service that allows you to rapidly provide information about yourself to the FSUPD during an emergency. By building a personal profile, information about you can be immediately accessed by FSUPD dispatchers should you call from a registered cell phone. FSU Guardian can also provide police with GPS coordinates from your phone – if available- , which can decrease response time and allow first responders to locate you should you not be able to give them your location. FSU Guardian allows you to set a timer from your phone when going from one location to another. If your timer expires, FSUPD will be notified and respond accordingly. To activate the timer, registered users can simply call 850-807-4949 and follow the subsequent prompts. FSU Guardian allows for GPS tracking to be activated on your phone if available. If you need immediate assistance, but are unable to give your location, FSU Guardian helps FSUPD and emergency responders locate you. Your location is never visible to FSUPD unless you call 9-1-1, 850-644-1234, or your security timer expires.

The Rave Guardian system went live in May 2012. The following statistics reflect from January 2013 until July 2013:

- 23,585 general users
- 1,084 Trip Timer users
- 72 calls to 9-1-1 had Rave profiles attached
- Timers set but de-activated – 20.
- Timers set but expired - 3

Campus Safety Walk

Once a year, the University community joins together during evening hours in efforts to improve safety conditions on our campus. Police officers team with faculty, staff, and students, who are then assigned to zones throughout campus. The teams walk thoroughly throughout their zones, pointing out anything from lighting issues to safety hazards.

Safety and Security Advisory Committee

Composed of faculty, administrators, and students, this standing university-wide committee addresses ways to improve campus safety and serves as an advisory body to the Sr. Vice President for Finance and Administration on safety and security issues. Interested parties should contact the Office of the Sr. Vice President for Finance and Administration, 214 Westcott Building.

MARC (Men Advocating Responsible Conduct)

A program for and by men to raise awareness of sexual violence and its effects. This program was developed in conjunction with a nationally recognized leader in rape prevention geared toward men. This program is currently under way with our fraternities.

Safety Planning

Members of the Dean of Students and University Housing staff, along with students from Greek organizations, Inter-Residence Hall Council, Student Government Association, and FSU Police are working continuously to plan for student events and to promote safety awareness.

Traffic Safety

The FSUPD employs a comprehensive education and enforcement program aimed at reducing DUI, speeding, aggressive driving, and lack of safety belt use. The FSUPD has received state and national honors for its traffic safety efforts. Most recently, the FSUPD earned top honors by the Florida Department of Transportation in the University category and the Motor Unit Challenge for 2012.

Campus Security Advisor, Student Government Association

College students are the most commonly victimized and yet are the most apathetic about safety concerns. To promote students' safety through awareness and security programs, each year a student is appointed to serve as a liaison between law enforcement agencies and the Student Government Association.

FSU Sexual Assault Task Force

The FSU Sexual Assault Task Force's mission is to build stronger links and awareness in the University community concerning sexual assault and its effects. Chaired by the Victim Advocate Program, membership includes representatives from the FSU Police Department, the Division of Student Affairs, the Student Government Association (SGA), Department of Athletics, faculty and students. The Task Force serves as a clearinghouse of information for the University, maintains policy and legislative updates, develops and maintains training guidelines, and assists with the educational component for students, staff, and faculty.

Student Rights and Responsibilities Office

As part of the Dean of Students Department, the Office of Student Rights and Responsibilities implements and enforces the FSU Student Conduct Code. Through the student judicial process, students charged with violations of the Student Conduct Code are informed of their rights, held responsible for behavior that adversely affects the university community, and ultimately guided in making better decisions about their conduct. This office is also responsible for dealing with violations involving student organizations. For information, call 644-5136

Victim Advocate Program

A victim advocate is available 24 hours a day to respond to the needs of victims of crimes, including victims of sexual battery. Advocates offer emotional support practical assistance (such as contacting professors when requested), and necessary referrals (to counseling, legal aid, medical attention, etc.). Whenever possible, the University will assist student victims in rearranging class schedules and room assignments if requested. The goal of the program is to help students cope with their victimization and continue to have a rewarding college experience. Advocates can be contacted by calling 644-7161 or 644-2277 weekdays, and 644-1234 (through FSU Police Department) evenings and weekends and asking to speak to an advocate.

University Residence Hall Safety Week.

Members of University Housing staff and resident students plan and implement an annual "Safety Week" to educate students about crime prevention. Activities include programs, informational flyers, and unique initiatives for each hall.

PROGRAMS

Alcohol Compliance Team - ACT Team

The ACT Team is a partnership between local law enforcement agencies, other public safety agencies and other college officials designed to enforce alcohol laws and regulations in the greater Tallahassee/Leon County area. The FSU Police Department is a founding member of this coalition.

Adopt-A-Community Oriented Policing Program

The Florida State University Police Department recognizes that in order to reduce the impact of crime on the campus, it is necessary to build rapport with students, particularly those in residence halls. Through close contact with campus residents in a non-confrontational atmosphere, crime prevention concepts and interactions with law enforcement officers are greatly enhanced. Officers, through their efforts in community policing within residence halls, have become more approachable to residents. This approachability enhances lines of communication between the police and students, thereby facilitating the exchange of information and person-to-person relationships.

In addition, with a noticeable and welcomed police presence in residence halls, the fear of crime can be diminished, while constructive crime prevention measures can be affected. Through intelligence gathered by officers participating in the program, patrol effectiveness and efficiency are further enhanced, particularly regarding any potential activity that might occur in residence halls.

The Adopt-A-C.O.P.P. officers act as liaisons between the University Police Department and Office of Resident Student Life. Each of the fifteen residence halls has its own Adopt-A-C.O.P.P. officer. In addition, several other universities within the State University System have adopted a similar program modeled after ours.

Greek-Copp

The Greek Copp Program is a Community Policing Program focused on FSU Greek Organizations. The program was founded with the idea of fostering a mentor style relationship between FSU Police Department and our Greek Community Family. Our relationship is comprised of regular meetings between Greek Life Risk Managers and Greek Cops to discuss current issues. These issues range from Florida State Laws to Florida State University Policies. The Greek Copp relationship has developed further by participating in pre-party walk-thrus. These party walk-through's focus on creating a safe party environment as well as further fostering the relationship in a mentor style setting. The relationship has blossomed and we now participate in risk management presentations for the entire Greek Life Family.

Operation ID

Campus police work with the staff in each residence hall to assist students with the engraving of their identification number on personal property and bikes. Serial numbers are recorded, aiding in the recovery of stolen articles.

Physical Security Analysis

Campus police officers, who are state-certified crime prevention practitioners, regularly visit residence halls and other multiple-living units to inspect lighting, shrubbery and all entry points. Officers review security procedures followed up by making recommendations to appropriate administrators. These officers also conduct security surveys at campus academic facilities as well, making crime prevention suggestions to department heads and persons responsible for building operations.

Physical Plant Consulting Program

During the planning and construction phases of new and renovated buildings, police experts consult with architects and engineers to ensure that the structural design offers the greatest degree of deterrence to crime.

Crisis Management Unit

Students who are experiencing an emotional or mental crisis, or who may become a threat to themselves or others, can receive early intervention from the Crisis Management Unit. Carefully selected police officers and graduate psychology students are specially trained to stabilize an impending crisis until professional medical or counseling resources can focus on the problem.

BEEPP (Bicycle Education, Enforcement, and Pedestrian Program)

The Bicycle Education, Enforcement, and Pedestrian Program (BEEPP) is a traffic safety program focused on multi-modal transportation safety on campus. Officer's education motorists, cyclists, and pedestrians on safety issues associated traversing the campus.

Citizen's Police Academy

The Citizen's Police Academy is a seven week program where community members can learn about FSUPD from the inside. For more information call 644-1388 or 644-3660.

Stop Rape Week

A week of lectures, panel discussions, media and theater presentations on the subject of violence against women is sponsored by the Women's Center. The events are intended to help both men and women better understand and prevent the crime of rape.

Designated Driver Program

Students who have been drinking too much are provided rides home, assuring safe transit. CALL 644-SAFE (7233). Don't drive impaired!

RAD (Rape Aggression Defense)

RAD is a self defense program for women designed to "develop and enhance the options of self-defense, so they may become viable considerations to the woman who is attacked." Call 644-1388 or 644-3660 or visit the FSUPD crime prevention page: <http://www.police.fsu.edu/Crime-Prevention/Rape-Agression-Defense>. RAD is now offered for credit!

Traffic Education and Enforcement at Florida State

The Florida State University Police Department employs specific and directed traffic enforcement aimed at DUI, speeding, aggressive driving, and unbuckled motorists. The FSUPD employs the use of sobriety checkpoints, DUI saturation patrols, as well as seatbelt and speeding enforcement campaigns. As a member of the Leon County Multi-Agency DUI Strike Force, FSUPD has zero tolerance for impaired drivers. "Drive Sober or Get Pulled Over".

CRIME PREVENTION INFORMATION

Protect Your Property

- Use a “discus” style padlock (not the “master lock” type) on all storage units. Check the unit periodically to make sure nothing has been disturbed.
- Don’t lend your keys. Keys can be duplicated.
- Don’t mark your key chain with your name, address or license number. Lost keys can lead to theft.
- Engrave or mark all valuable personal property with your name and driver's license number. Keep an inventory of items.
- Move valuable items out of easy sight of windows and doors.
- Lock your vehicle at all times.
- Copy all important papers and cards that you carry in your purse or wallet, including your driver’s license. Keep the copies in a safe place— the information will be invaluable if they are stolen or lost.
- Copy your vehicle ID and tag number. If your vehicle is stolen, it cannot be entered into the nationwide law enforcement network without this information

In Your Car

- Check the back seat before entering.
- Keep your vehicle doors locked at all times, even when driving in daylight, so no one can jump in at a red light.
- Keep enough gas in your tank for emergencies. Don’t offer rides to anyone you do not know, even if he or she claims to be a student
- Honk your horn—a good deterrent—if someone suspicious approaches your vehicle. Criminals don’t like attention.
- Lift the hood, put on the flashers, and wait inside for help with the doors locked if your car breaks down. Ask people who stop to call the police or AAA for you. Don’t accept a ride with anyone you do not know.

At Home

- Keep doors locked at all times, even if you are only away for a few moments. Do not “prop open” doors in the residence halls.
- Be assertive and demand that any unwanted person in your residence leave, or leave yourself. Anyone who refuses to leave is a trespasser. If you live in a residence hall, call FSUPD.
- Make sure hallways, entrances, garages, and grounds are well-lit. Leave porch lights on all night. When you expect to return after dark, leave an interior light on with shades drawn. If you live on campus, report any malfunctioning light.
- Know who is at your door before you open it. Campus staff should carry identification, and no solicitors are allowed on campus. If you live off campus, install a peephole in your front door.
- Make calls for strangers who want to use your phone. Don’t open your door or let them in.
- List initials and last name only on your mailbox or door and in the telephone book.
- Get to know your neighbors. If you live off campus, join a neighborhood watch system and share information on suspicious circumstances.

Away from Home

- Walk or jog with a friend. Avoid jogging after dark. If you must, stay in well-lit areas; walk midway between curbs and buildings and away from alleys and bushes.
- Don’t stop for stranded motorists. You are of greater help to them by calling the police.
- Keep valuables in the trunk of your vehicle, not on the seats.
- Park your car in well-lit areas.
- Remove all keys from your vehicle. Thieves look for keys. Walk with your keys in your hand.
- Tell someone where you are going and when you will return.

- Don't fight back if your purse or wallet is snatched. Turn it over to the thief rather than risk personal injury, and call the police immediately.
- Be careful about when and where you patronize Automatic Teller Machines (ATM). Accessing ATM cash in remote locations, particularly after nightfall, could expose you to risk of robbery and personal injury
- Avoid working or studying alone in a public-access building at night

If you have a disability

- Be on the defensive; use SAFE Connection at night (644-SAFE).
- Use reflective tape on wheelchairs or other mobility aids.
- Report any hazardous conditions to Student Disability Resource Center at 644-9566 (Voice or TDD)
- Use designated sidewalks. If you have a visual impairment, be sure to get thorough orientation. If unsure about hazards, please ask. Remember to use your cane properly.

Play it Safe: Cyclists are reminded that in Florida, a bicycle is legally defined as a vehicle. Bicyclists have the same rights to the roadways, and must obey the same traffic laws as other vehicles. At FSU, cyclists may legally ride on sidewalks, provided that pedestrians are given the right of way and that an audible signal is given before overtaking and passing pedestrians. Wear a helmet when riding – nearly 75% of all bicycle related deaths are the result of head injuries. A bicycle operated between sunset and sunrise must be equipped with a lamp on the front exhibiting a white light visible from 500 feet to the front and both a red reflector and a lamp on the rear exhibiting a red light visible from 600 feet to the rear. Observe all traffic laws that you would observe in a motor vehicle. Bicycles may not be parked where they impede pedestrian or vehicular traffic. **Do not park bikes on railings, stairwells, or handicap access ramps.**

Residence Hall Safety

Residence hall exterior doors are locked at all times. To gain admittance, visitors must call a student's room or the main office using the telephone at the main entrance of each hall. Visitors are then met at the entrance by their student-host. At night, hall staff provides support in checking the identities of those entering the halls. Students are urged not to allow entrance to anyone who is not their guest. Visitors are to be escorted at all times by their student-host, who is responsible for their actions and behavior. University Housing staff gives high priority to the security of residents. Resident assistants receive training in safeguarding security, and monitor building safety measures on an ongoing basis. Night staff makes periodic checks of floors and exterior doors, and report security-related matters to resident staff or to the police.

Each semester, campus police and Housing staff jointly present safety programs to all residents. In addition, fire evacuation drills are conducted in every hall each semester. Fireworks, explosives, weapons, and flammable liquids are strictly prohibited in the residence halls, as are all devices using an open flame or open heating element. And please remember, falsely activating or tampering with fire safety equipment violates state law and creates dangers for the entire residential community in the case of real fire or emergency.

Individual University police officers are assigned to specific residence halls through the Adopt-A-COPP Program. This community-based policing enables students and police to become personally acquainted. The assigned officer keeps in touch with students and residence hall staff and informs them of physical safety and security concerns. For a review of all residence hall procedures, please refer to the *Guide to Residence Living*, available at this link <http://www.housing.fsu.edu/Quicklinks/Guide-to-Residence-Living>.

In an elevator

Press the alarm button if the elevator becomes impaired while in operation. Police will respond as quickly as possible. Remain inside until help arrives. Only trained elevator personnel are authorized to remove trapped occupants. No one else should attempt to release them or to force elevator doors open.

International Students

The Florida State University conducts international study programs in several countries throughout the Globe. In addition to information provided in this Safety Guide, the four main international study centers in Florence Italy, London England, Valencia Spain and Panama, Republic of Panama publish their own safety guides with country specific information for students. The four guides can be accessed at the web site below.

<http://international.fsu.edu/Students/Admitted/Safety%20Guides.aspx>

Additional information is available at FSU International Programs Office at A5500 University Center, Florida State University, Tallahassee, FL 32306-2420, or by contacting FSU International Programs at (850) 644-3272 or (800) 374-8581.

S.A.F.E. Connection... (Student Alert Force Escort)

Phone: 644- SAFE (7233) - Phone Service is FREE from any campus pay phone.
Hours: 7:00pm to 3:00am - Seven days a week.

If you walk on campus at night, take precautions and call SAFE Connection for a SAFE escort. SAFE Connection provides service to residence halls, libraries and most other campus buildings, and Alumni Village. Get to know the SAFE escorts. That way, you will be walking with a friend.

Night Nole

Florida State University Parking and Transportation in conjunction with the Student Government Association developed an initiative in the summer of 2006 dubbed the "Night Nole". During the fall and spring semesters, Night Nole provides students with a safe ride home from the Tennessee Strip and other late-night venues. The SGA funds this no-fare transit service through a contract with Tallahassee. The route is within a short walking distance of many apartment complexes where students live. The Night Nole is a bus service that operates from 10:00pm to 3:00am, Tuesday through Saturday. The route begins in Heritage Grove and makes stops along the route stretching from Appleyard to Stadium Drive, all the way back through Tennessee Street and services over 32 apartment complexes. This free service enables students to enjoy late night venues without having to drive their vehicles.

Nole Cab

Florida State University Parking and Transportation in conjunction with the Student Government Association developed an additional initiative to help get student home safely. The NOLE cab is a subsidized taxi that gives up to four passengers a cab ride inside a predestinated zone for a nominal fee. The only requirement is one of the passengers must be a current student.

Protect Yourself from Identity Theft

Identity theft is one of the fastest growing and most personally devastating crimes in the country. The Federal Trade Commission and the Consumer Sentinel Network reported in 2012 nearly 1.4 million fraud and identity theft complaints. What, exactly, is identity theft? It is the theft of your good name and credit that occurs when a criminal co-opts your name, Social Security number, credit card number or some other

piece of personal information. Once "armed" with this information, identity thieves can open new credit accounts, obtain cellular phone service, or open a new checking account – all without your knowledge! You may not know this has happened for months – until you start getting bills about which you know nothing!

Here are some tips to help prevent this type of theft:

- ✚ Take your credit card receipts with you—never toss them into a public container.
- ✚ Do not allow your financial institution to print your social security number on your checks.
- ✚ Safeguard your credit, debit, and ATM card receipts.
- ✚ Do not carry extra credit cards, your Social Security Card, birth certificate, or passport in your wallet or purse unless absolutely necessary.
- ✚ Reconcile your check and credit statements in a timely manner

Timely Warnings and Crime Bulletins

The Florida State University Police Department issues campus “Crime Bulletins” promptly to the campus community upon the discovery of a crime that is determined to pose a threat to public safety on campus, or that are in the public interest. Crime Bulletins are normally placed on the FSUPD website at www.police.fsu.edu, and are also distributed to students, faculty and staff via campus wide e-mail.

Alcohol & Drugs

Florida State University has established standards of conduct concerning the possession, sale, serving, and consumption of alcoholic beverages and drugs on the Florida State campus. These policies and rules reflect a concern for the health and safety of the campus community and apply to University faculty, students, staff, visitors, and guests.

State of Florida statutes declare that it is unlawful for any person under 21 years of age to possess or consume alcoholic beverages. Consequently, no one under the legal drinking age may consume, distribute or possess alcohol on University properties or as part of any University activity. It is unlawful to sell, give, serve, or permit alcoholic beverages to be served to anyone under 21 years of age. Furthermore, servers can be held civilly liable for damage caused by underage drinkers to whom they provided alcoholic beverages.

It is unlawful to be under the influence of, use, possess, distribute, sell, offer, or agree to sell, or represent to sell narcotics, hallucinogens, dangerous drugs, or controlled substances, except as where permitted by prescription or law. The FSU Police Department aggressively enforces Florida’s impaired driving laws. Never drink and drive. Violations of these laws are dealt with both through the criminal courts and through the Office of Student Rights and Responsibilities. Students found liable are subject not only to criminal prosecution but to administrative sanctions, including permanent expulsion from the University.

Note: The Florida State University Student Handbook and the Schedule of Classes should be consulted for further information.)

Programs and Treatment Referral

The Office of Health Promotion at University Health Services located at the Health & Wellness Center provides many educational materials, books, pamphlets, videos, and CD-ROM programs for students, faculty, and staff who are interested in or suffering from the effects of alcohol and/or substance abuse. Referrals to local programs, including counseling services, AA, ACOA, NA, and Alanon groups are also offered. The “Healthy Noles” Peer Health Educator Program ph# 644-8871, is a volunteer student organization that provides peer education through involvement with special projects, such as Alcohol Awareness Week, Safe Spring Break, and presentations to classes, residence halls, and student organizations. The University Health Services web page contains valuable information on their services (www.uhs.fsu.edu). Students may also seek treatment for substance abuse problems at the Student Counseling Center, 644-2003, located within the Student Life Building. The FSU Marriage and Family

Therapy Clinic, 644-1588, provides referrals, limited treatments, and evaluations for alcohol and substance abuse.

Sex Offenses

If you are the victim of a sexual assault:

- ✓ Try to remain calm and alert.
- ✓ Call 9•1•1. Your call will automatically be routed to the proper law enforcement agency: University Police on campus, Tallahassee Police in the city, Leon County Sheriff's Office in the county.
- ✓ Stay on the phone with the dispatcher as long as you are needed.
- ✓ Do not change your clothing.
- ✓ Do not clean your body or your clothes.
- ✓ Do not disturb or alter the crime scene.

The preservation of physical evidence may be critical for successful prosecution of the offender.

- ✓ Ask for an FSU Victim Advocate by calling 644- 7161 or 644-2277 weekdays, or 644-1234 evenings and weekends.

If you are a sex offender:

- ✓ You are subject to arrest, incarceration, and prosecution through the state courts.
- ✓ As a student, you are subject to University judicial proceedings that may result in permanent expulsion from Florida State University

Sexual Harassment

Florida State University's Office Equal Opportunity and Compliance (EOC) is responsible for advancing and monitoring the University's Equal Employment Opportunity (EEO), Affirmative Action (AA), Family Medical Leave Act (FMLA), Americans with Disabilities Act (ADA) policies, procedures, programs and initiatives and Title IX coordination.

FLORIDA STATE UNIVERSITY

TITLE IX STATEMENT

"No person in the United States, shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." Title IX of the Education Amendments of 1972, and its implementing regulation at 34 C.F.R. Part 106 (Title IX).

As a recipient of Federal financial assistance for education activities, FSU is required by Title IX to ensure that all of its education programs and activities are free from discrimination on the basis of sex. Additionally, the Florida Educational Equity Act prohibits discrimination in schools based on race, ethnicity, national origin, gender, disability, or marital status. FLA. STAT. § 1000.05 (2012). Furthermore, this commitment is reaffirmed in FSU's [Equal Opportunity and Non-Discrimination Statement](#), which is applicable to all faculty, staff, students, visitors, applicants, and contractors.

The University's designated Title IX Co-Coordinators are:

The University's Title IX Co-Coordinators are charged with monitoring and ensuring compliance with these regulations. Questions regarding Title IX, as well as concerns about and complaints of non-compliance (including complaints of sexual harassment, sexual assault, sexual violence, or other sexual misconduct), should be directed to them. Complaints will be addressed following the University's discrimination complaint procedures, [Equal Opportunity, Non-Discrimination, and Non-Retaliation Policy and Procedures](#). Some acts of sexual misconduct may also constitute violations of criminal law and require mandatory reporting to the FSU Police Department, e.g., sexual battery, indecent exposure, sexual abuse, etc. In such instances, refer to the University's [Sexual Battery Policy](#) and contact the FSU Police Department at (850) 644-1234. Inquires about the application of Title IX may also be directed to the Office for Civil Rights, US Department of Education.

President Eric J. Barron

Revised 8/8/2013

University Judicial Action

The Office of Student Rights and Responsibilities, Division of Student Affairs, coordinates all judicial proceedings involving sexual misconduct of students. Victims of sexual offenses may report these incidents to the FSU Police at [644-1234](tel:644-1234), to the Office of Student Rights and Responsibilities at [644-5136](tel:644-5136), or through the Victim Advocate Office at [644-7161](tel:644-7161) or [644-2277](tel:644-2277).

Students charged with violations of the Student Code of Conduct will be given adequate notice of the charges and allegations against them, and be provided an opportunity to address these charges during a hearing. Victims of sexual misconduct may be asked to provide testimony at these proceedings, and are allowed to submit input into the sanctions imposed should the students be found responsible for the charges against them. In cases where the alleged offender's conduct poses a threat to the University community, the Dean of Students may choose to impose an immediate suspension until a hearing can be convened to determine the facts of the case. Both the alleged victim and the alleged offender are allowed to be accompanied by an advisor of their choice during the proceedings, and will be informed of the final outcome of any campus disciplinary hearing. Students found responsible for violations of sexual misconduct will be sanctioned according to the options outlined in the Student Code of Conduct. This can include suspension, dismissal, or expulsion from the University. University disciplinary proceedings may be held in instances involving sexual misconduct even when formal state charges are not brought. Complete information on the University judicial process can be found in the Student Code of Conduct in the Student Handbook.

*Forcible Fondling

**With a deficit in parking spaces and the rising cost of fuel, 2012 saw a marked increase in the number of less than 50cc motorcycles (scooters) on campus. While easy to operate and park, they are also highly portable and easy to steal by simply picking them up and hauling them away in a vehicle. 58% of the 2012 vehicle thefts were scooters. 26% were golf cart and the remaining 3 vehicle stolen from campus were either cars or conventional full size motorcycles.

*Includes Forcible Sex Offenses on campus as reported by Health and Wellness Center on an internal form produced by the Health Center. Although this form does not report in a manner as requested by the Clery Act, the numbers are reported in this table in the interests of public safety.

The above chart does not include Forcible Sex Offenses reported by Health and Wellness Center as occurring off campus with no specific location. In the past the FSU Police have included those numbers in good faith, however they do not meet the reporting parameters for the Clery Act. The numbers are 2010 – 16 / 2011 – 10 / 2012 - 5.

For 2010, the Tallahassee Police Department did not report crime statistics in a format as requested by the Clery Act, meaning statistics were not delineated as “on-campus”, “non-campus”, or public property (public streets and thoroughfares on and contiguous to campus). Specifically, the Tallahassee Police Department does not record a precise incident location, often showing calls initiate between on street block and another. In order to determine accurately where a crime is committed for reporting purposes, this method is not compatible with reporting requirements. The Tallahassee Police Department, however, does participate in Uniform Crime Reporting, and statistics for the FSU area may be ascertained by contacting the Tallahassee Police Crime Analysis Unit at 850-891-4309 or you can visit their crime maps at <http://agsinter.leoncountyfl.gov/tops/>.

Note: In 2010, 2011 and 2012 data collection, FSUPD contacted other local law enforcement agencies for data inquiries to include the Leon County Sheriff’s Office, Florida Department of Law Enforcement, Florida A&M University Police, Florida Highway Patrol, and FDLE Capital Police. Agencies either reported no crimes that were not reported to FSUPD or did not respond.

CRITICAL INCIDENT RESPONSE

The Florida State University Police Department trains for emergencies on campus whether based on natural occurrences or of a man-made origin. The police department is keenly aware of community concerns regarding incidents such as the one impacting our ACC sister university, Virginia Tech. In this light, the following synopsis is provided for students, parents, and employees about FSU's ability to respond to such emergencies:

Prevention: The FSU Police Department engages and participates in a number of prevention initiatives.

- Student Situations Resolution Team – Campus officials regularly meet to discuss concerns involving students who may be in need of intervention services offered by the University.
- CMU (Crisis Management Unit) - . Students who are experiencing an emotional or mental crisis, or who may become a threat to themselves or others, can receive early intervention from the Crisis Management Unit. Carefully selected police officers and graduate psychology students are specially trained to stabilize an impending crisis until professional medical or counseling resources can focus on the problem.
- Threat Assessment Team (TAT) – Similar to the Student Situations Resolution Team, but focused on employee based issues.
- Public Safety Meetings
- Continuous communication with the Dean of Students Office and Student Rights and Responsibilities.
- Dean / FSUPD Meetings
- Daily Report Sharing Process with FSU Departments
- Greek COPP and Adopt-A-COPP Initiative – Officers assigned to specific Greek organizations and residence halls to increase rapport and communication between law enforcement and students.
- Data Sharing Project with the County Jail System
- Welfare Checks on Students
- Training and Best Practices – Officers participate in more than 5 times the in-service training as required by Florida standards.
- Partnerships with Students Regarding Safety – FSUPD regularly partners with student organizations for joint crime prevention programming, such as “Campus Safety Walk”.
- Emergency Management Team/Emergency Operations Center – FSU has a team of over 150 personnel from 50 different departments prepared to respond to and recover from emergencies.
- Emergency Management Coordinator – FSU employs a full time emergency management professional.
- FSU ALERT Emergency Notification System - FSU has up to 32 methods of delivery to communicate emergency warning, notification, and information.
- Hazardous Weather Awareness Week – Annual hazardous weather awareness campaign
- Emergency Preparedness Week – multi-hazard educational outreach and awareness campaign
- Mutual Aid with the City and County (in addition to training conducted) – Jurisdictional crossover to enhance services to students off campus.
- Chats with the Chief (twice a month in the Student Union)

These represent a few of the many programs and initiatives either in place or under development at FSU. The police department practices a policy of continual analysis and improvement concerning prevention and response to critical incidents.

THE ACTIVE SHOOTER

Florida State University Police Officers received frequent, realism-based training concerning the response to an “active shooter”, that is, a person actively shooting at and harming persons on campus. The FSU Police Department trains to quickly engage and eliminate the threat.

If YOU are in the area of an Active Shooter...

- Report Suspicious Incidents to the Police or Administrator in a timely manner 644-1234 or 911
- Remain Calm
- Remain in a secure location (lock or secure the entrance)
- Remain Quiet and out of sight (if possible)
- Turn off all lights in the location
- Notify 911 of the nature of the emergency
- Give as many details as possible
- Let the 911 dispatcher end the call (don't hang up)
- Notify Parents when the situation has been resolved

IN THE EVENT OF AN IMMEDIATE THREAT, DANGER, INJURY, FIRE, OR CRIMINAL OCCURENCE, CALL 9•1•1.

University Police are part of the countywide “Enhanced 9•1•1” system and automatically receive calls related to campus. The system ensures that the correct emergency responder -- police, medical or fire -- is directed to the right place in the shortest amount of time. Since telephone numbers appear on the police computer screen, callers who are either too young or too incapacitated to give their number or location can still receive emergency assistance. Certified police service technicians are on line 24 hours a day.

BLUE LIGHT PHONES

If you are out and about on campus and need help — look for a “blue light.” The blue light identifies the location of an emergency telephone. Simply press the Emergency phone button (no dialing is necessary) to be connected to the University Police Department. Note the location of the blue light telephones as you move about the campus. You may never need to use one, but — be aware of their location.

ELEVATOR TELEPHONES

Emergency telephones are located in the elevators in academic and residential campus buildings. Simply lift the receiver or press the button to be connected to University Police.

EMERGENCY PULL STATIONS

Pull stations are alarms located throughout the University Union and in numerous academic buildings. To summon help, you need only pull the handle to activate alarms, both locally and in the police station. Personal Safety Alarms are blue in color; Fire Alarm pull stations are red. Remember, false alarms can result in formal criminal charges and prosecution.

Emergency Notification and Warning (FSU ALERT)

Florida State University Policy, OP-G-9.1.3, establishes the emergency notification and warning program at Florida State University. This program is commonly referred to as the "*FSU ALERT*" emergency notification system. This document, in aggregate with OP-G-9.1.3.1 FSU ALERT Activation Procedures, constitutes the University's Emergency Notification and Warning Plan. The policy is publicly available on the University Web site: <http://policies.vpfa.fsu.edu>

The objective of the emergency notification and warning system, *FSU ALERT*, is to provide timely notification and warning to all students, faculty, staff, and visitors of Florida State University of a threat, occurring or imminent, that poses an immediate threat to their health, safety, or general welfare while on campus.

The University has procedures, OP-G-9.1.3.1, to implement the Policy and Plan. Collectively, the Policy, Plan, and Procedures provide a mechanism for the University to, without delay, confirm an emergency or dangerous situation, take into account the safety of the campus community, and initiate immediate and appropriate notification and warning, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The Policy, Plan, and Procedure include processes by which University officials will confirm that there is a significant emergency, determine who to notify, determine the content of the notification, and initiate the notification system.

The Policy, Plan, and Procedures specify the roles and responsibilities of persons or organizations on campus responsible for carrying out this process.

Florida State University – University Relations and its subsidiaries maintain procedures for disseminating emergency information to the larger community.

In 2012, a total of one hundred eighty (180) *FSU ALERT* emergency notification messages were disseminated for the following reasons:

- 3 Administrative Announcement
- 5 Exercise – Drill – Test
- 1 Event - Sporting
- 4 Fire - Structural
- 7 Fire – Wildland
- 3 Health – Epidemic / Pandemic
- 4 Infrastructure – Electric
- 4 Law Enforcement – Assault
- 2 Law Enforcement – Missing / Endangered Person – Amber / Silver Alert
- 9 Law Enforcement – Other
- 14 Law Enforcement – Robbery
- 2 Law Enforcement – Shooting
- 2 Operational – Campus Closed
- 4 Transportation – Road Closure – Detour
- 5 Transportation – Travel Advisory
- 1 Weather – Extreme Cold
- 2 Weather – Extreme Heat
- 16 Weather – Flooding
- 55 Weather – Thunderstorm / Lightning
- 16 Weather –Tornado
- 18 Weather – Tropical (Depression, Storm or Hurricane)
- 3 Weather – Wind Other (not tornado, thunderstorm, or tropical)

Of those, only thirty (33) utilized mass e-mail, only eighteen (18) utilized SMS text messaging, and only fourteen (14) utilized the siren system. The rest were disseminated by more “passive” means such as alerts.fsu.edu and social media channels.

As of the time of this report, the *FSU ALERT* emergency notification system employs up to thirty five (35) methods of emergency information delivery. The university is continuously upgrading and enhancing this system with new technologies and expanded coverage.

Florida State University utilizes a specialized system to link several types of notification services and methods into a centralized activation process called FSU ALERT EZ (a.k.a. the easy button). This system allows for the immediate activation of the 10 primary and 9 secondary delivery methods simultaneously with the press of a single button, and results in delivery to approximately 60,000 recipients within 3 to 5 minutes and can now issue truly “timely” warnings when seconds can mean the difference between life and death.

Emergency Response, Evacuation and Management

Florida State University Policy, OP-G-9, establishes the framework through which the University prepares for, responds to, recovers from, and mitigates against the effects of a wide variety of emergencies and disasters that could adversely affect the health, safety, and/or general welfare of its students, faculty, staff, visitors, and families through the establishment of programs. The policy is publicly available on the University Web site: <http://policies.vpfa.fsu.edu>

Florida State University conducts at least one test, exercise, or drill annually to test the University’s emergency response procedures. In 2012, FSU participated in the following tests, exercises, or drills:

May 2012	Statewide Hurricane Exercise
September 5, 2012 10:46AM	<i>FSU ALERT</i> Emergency Notification Test (unannounced)

Florida State University Policy, OP-G-8.1, has procedures in place for the evacuation of each structure on campus. Each semester (Spring, Summer and Fall), unannounced fire evacuation drills are conducted in occupied residential buildings. Annual fire evacuation drills are conducted in all other non-residential structures on campus. The policy is publicly available on the University Web site: <http://policies.vpfa.fsu.edu>

Florida State University
Higher Education Opportunity Act (Public Law 110-315)
2013/2014 Fire Safety - Annual Compliance Report
Stats for 2012

Overview

The Higher Education Opportunity Act (HEOA) specifies new campus safety requirements regarding fire safety issues for all title IV institutions that maintain on-campus student housing facilities. These disclosures are a subset to the overall Annual Security report prepared by the institution. In summary this act requires all college/university campuses nationwide to make public their fire safety information, statistics and all fire-related events to students and their families. This public disclosure is intended to inform current and prospective students of the fire safety programs and policies in place, and the institution's state of readiness to detect and respond appropriately to fire related emergencies.

General Statement of University owned/controlled student housing

The Florida State University operates twenty-three Student Residence Halls. All Residence halls are protected throughout with complete supervised fire alarm systems which are monitored 24 hours/day, seven days/week by the University Police Department. In addition twenty two the facilities are fully protected with integrated automatic sprinkler systems, the twenty third, Deviney hall contains a partial system. All buildings contain portable fire extinguishers and are provided with emergency power systems that are designed to automatically activate whenever there is a power loss. These backup power sources support the facilities life safety systems including all fire safety equipment, sprinkler systems, hallway lighting, emergency exit doors, and lighting in all emergency exit stairwells.

At Florida State University all Residence Hall staff receives comprehensive fire safety training at the beginning of each academic year. In addition, a quality control program that covers emergency and evacuation procedures is reviewed regularly with the occupants and staff of each respective residence hall. Each resident is given a copy of the Residence Halls Safety and Security Brochure, which includes information on fire safety and what appropriate action to take during a fire alarm or fire emergency. In addition, every student room has emergency evacuation maps installed on the inside of the front door to direct occupants to primary and secondary exits. Finally, planned fire drills, coordinated with the University Police, EH&S Fire Safety Personal, General Housing and the Residence Halls Staff are conducted at the beginning of each semester that a facility is to be occupied.

Specific Fire Prevention Related Policies

It is the policy (OP-G-8) of the University to protect faculty, staff, students, visitors, contractors, property, and assets of Florida State University (FSU) while providing the safest possible environment, free from potential fire hazards. The primary goal of the University's Fire Prevention Program is to recognize hazardous conditions and take appropriate action before such conditions result in a fire emergency. This goal is accomplished by (1) conducting periodic fire safety inspections of all University buildings, (2) increasing the fire safety awareness of employees and students by conducting periodic training on basic fire safety. This training is provided by FSU Fire Safety to FSU employees and students. It emphasizes the importance of fire prevention and fire safety on campus. The training informs participants about emergency notifications, fire drills, fire suppression systems & alarms, and building occupant safety. The training includes hands on fire extinguisher usage and awareness level extinguisher training. Fire Safety conducts fire drills in all Student Housing on FSU campus every semester in conjunction with fire safety training.

Annual Fire safety inspections of all University facilities are conducted by the Division of the State Fire Marshal, the Authority having Jurisdiction (AHJ) for all properties assigned to Florida State University. A copy of the completed Fire Inspection Report for each building is forwarded to the Department responsible for maintaining fire safety compliance of that building. The responsible department is expected to correct

any deficiencies and notify the AHJ by returning a copy of the report indicating the date (as determined by the AHJ) when each deficiency was corrected. The AHJ may conduct a follow up inspection to verify correction of all deficiencies once notification has been received. Copies of all completed Fire Inspection Reports are maintained by EHS.

To minimize the potential for fires at Florida State University, it is the Policy Program (OP-G-8.1) of the University to prohibit open burning and the use of combustible decorations at all times (unless in accordance with other University policies and procedures, and or authorized by the Authority Having Jurisdiction). Open burning as defined by the University is any open/exposed flame or combustion that produces heat, light or smoke, and has the potential to cause a fire. Examples of open burning are, but not limited to, candles, incense, bonfires, campfires, barbecue grills and their related accessories such as gasoline, propane, lighter fluid, charcoal; and pyrotechnics. The Fire Safety policy program also prohibits the use of the following items in any University owned or operated facility indoors (unless in accordance with other University policies and procedures, and or by the Authority Having Jurisdiction): Portable space heaters, barbecue grills, hibachis, smokers (gas, electric, charcoal) and related accessories including lighter fluids and lighters, and other similar type products (for cooking/ warming purposes), any open flame device or object including candles, incense sticks and related accessories, hot plates, slow cookers, deep fryers, electric skillets, electric woks, griddles, sandwich makers/grills and other similar type products (for cooking/warming purposes), toaster ovens (for cooking/warming purposes), flammable/combustible liquids (for recreational/personal use), fireworks, firecrackers, rockets, flares, sparklers and other devices, halogen lamps, ceiling/wall tapestries, live Holiday trees or non fire retardant artificial Holiday trees. Exceptions: (1) Portable Space Heaters are allowed for the Animal Research facilities for the comfort and wellbeing of the research animals under its care, (2) Approved Portable Space Heaters as authorized by the Environmental Health & Safety and the University Facilities Departments, will be allowed for employees/students with diagnosable medical conditions as determined by licensed health-care professionals with such documentation kept on file at the University's Human Resources or Student Affairs divisions, (3) The "cooking" and "warming" options exclude cooking and warming done in areas designed and built for such purposes and only while the use of these devices are under the direct supervision of qualified personnel such as catering staff and certified food preparers.

Notification of Missing Students

Notification of Missing Students

If a member of the University community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify FSUPD at (850) 644-1234. FSUPD will initiate an investigation. FSU Residence Life will notify the FSU Police Department within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

After investigating the missing person report, should FSUPD determine that the student is missing, the FSUPD shall, within 2 hours after receipt of the report, transmit the report for inclusion within the Florida Crime Information Center and the National Crime Information Center databases. The information is also relayed to other local and surrounding law enforcement agencies. If the missing student is under the age of 18 and is not an emancipated individual, FSU is required to notify the student's parent or legal guardian immediately in addition to notifying any additional contact person designated by the student after FSUPD has determined the student is missing.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by FSU in the event the student is determined to be missing. If a student has identified such individual, FSU will notify that individual no later than 24 hours after the student is determined to be missing. Missing student contact information will be registered confidentially, and the information will be accessible only to authorized campus officials. Missing student contact information may not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation. A student may register one or more individuals to be a contact strictly for missing persons purposes. The contact person can be anyone. Students will be given this option even if they have already identified a general emergency contact. A student may identify the same individual for both purposes, but FSU may not assume that a general emergency contact is also the missing person contact. Students are offered option annually regardless of whether they chose to register a contact the previous year. If any students move into on-campus student housing mid-year, they are offered the option to register missing person contact information at that time as well. Any on-campus resident student may register missing person contact information by contacting the FSU Residence Life Office at (850) 644-2863.

The Campus Sex Crimes Prevention Act

The Campus Sex Crimes Prevention Act became effective October 28, 2002. This law requires the FSU Police Department to notify the University community when a convicted sex offender becomes affiliated with FSU as an employee, student, vendor, or volunteer. If a crime occurs on the campus, contact the FSU Police Department as soon as possible to ensure proper reporting and recording of the incident for further investigation and preventative action. In addition to the numerous reporting channels discussed within this publication—the FSU Police Department, other law enforcement agencies, and on campus departments—you may submit an **anonymous and voluntary** report of suspected criminal activity to the FSU Police Department by accessing its web page at: <http://police.fsu.edu/silentwitness>. For the purposes of ensuring that accurate and up-to-date crime and safety information is reported to all University constituencies, the University Police Department works closely with the following campus departments—not only to obtain pertinent information—but, moreover, to ensure campus entities can direct inquiries about campus crime safety to the appropriate distribution point. These other University departments include: Office of the Dean of Students, Office of the Dean of Graduate Studies, Office of Student Rights and Responsibilities, Thagard Student Health Center, and University Housing. The entire Seminole Safety Guide can be accessed on the FSUPD web site at: <http://police.fsu.edu>. The FSUPD will gladly provide a print copy of the Seminole Safety Guide to anyone requesting it. Specific information regarding convicted and released sexual predators in the Tallahassee community may be obtained by accessing the FSU police department's web page at www.police.fsu.edu), and clicking on the sexual predator link to the Florida Department of Law Enforcement, or you may directly access the FDLE web page at: <http://offender.fdle.state.fl.us/offender/homepage.do>.

Campus Safe Zone

The FSU Police Department participates in the Campus Safe Zone by receiving training and resource packets. The Safe Zone symbol (pink triangle inside a green circle) lets others know that our office is informed about lesbian, gay, bisexual, and transgendered resources, and respectful of confidentiality. The symbol is a visible reminder to anyone that FSU does not condone discrimination, and thus promotes and atmosphere of acceptance of differences. Any faculty, staff, or student may participate in Safe Zone. Please contact the Student Counseling Center at 644-2003.

OP-C-14 Weapons in Vehicles

SPECIFIC AUTHORITY

FS 790.251

OBJECTIVE

To clarify FSU's weapon's policy while remaining consistent with Florida law and "*The Preservation and Protection of the Right to Keep and Bear Arms in Motor Vehicles Act of 2008*" which became effective July 1, 2008.

OVERVIEW

Florida State University is a "school" based on the established definitions from Florida Statute 790.115. As such, students, staff and faculty must not have any type of defined weapon in their possession and cannot store a weapon in their vehicle while on any University property.

A. Weapons in Vehicles

Firearms and other weapons may not be carried in vehicles parked on University property.

Section 790.25(5), Florida Statutes, authorizes persons 18 years of age or older to possess a concealed firearm or other weapon in a private conveyance for self-defense if the weapon is securely encased and not readily accessible for immediate use. Section 790.115(2)(a), Florida Statutes prohibits possessing weapons or firearms on school property. Although Section 790.115(2)(a)3, Florida Statutes, provides that a person may carry a firearm in a vehicle pursuant to Statute 790.25(5), **it provides that schools may provide policies waiving the exception.**

Florida State University waives the exception in the previous paragraph and is a "school" based on established definitions from the Statute. Florida State University students, staff and faculty must not have any type of defined weapon in their possession and cannot store a weapon in their vehicle while on any University property. A weapon could include non-lethal weapons such as pellet guns, knives, metallic knuckles, slingshots, billie's, tear gas guns, chemical weapons or device, or other objects defined as a deadly weapon.

This policy does not apply to Florida State University Police Officers, municipal, county, federal or other state law enforcement officers while on or off duty or acting in an official capacity, since they are required to possess weapons and uphold the law.
