The vast majority of FSU fans and visitors conduct themselves safely and appropriately on game day. The increased support and attendance on game days has led to increased safety concerns and managing those concerns while providing a safe environment is the goal of the Florida State University Police Department.

The Game day Game plan is provided to assist visitors and fans with important information that will help ensure a safe and fun environment for everyone who comes to a game.

What types of safety concerns do these regulations address?

Parking on sidewalks is a good example. When cars are parked on the sidewalk, pedestrians are pushed into the street and into the path of vehicle traffic. This is especially dangerous after games, when 85,000 or more fans are leaving the stadium.

This also makes it difficult for emergency vehicles – ambulances, fire trucks – to respond to the scene if they are needed.

To help provide important information using today's technology the FSU Police Department has provided detailed game day information on the department's APP called [SEMINOLE SAFE](#). You can click on these links to download the [Apple APP](#) or [Google APP](#)

General Parking Overview

FSU will be providing a limited amount of public parking on campus this year for football. For most games, public parking will be available in the Railroad Ave. Lot (corner of Railroad Ave. and St. Augustine St.), St. Augustine Garage and the Tucker Center - West parking lot. Parking in these lots will be \$10 per vehicle. As with all other football parking lots, tailgating will be restricted to the parking space purchased and spaces will not be sold solely for tailgating. More campus parking locations could be added in the future if space is available. The availability of campus public parking will be game-by-game and will depend on other campus special events, university needs, and weather conditions.

Numerous campus parking venues, mainly west of Woodward Avenue, will be closed for reserved parking on home football game days. All vehicles MUST be removed from these lots by 11:59PM on the day before a home game (students, please do not relocate vehicles to Faculty/Staff parking areas until after 4:30PM on Friday). Vehicles parked after 11:59PM on the day before a home game will be towed at the owner's expense. This includes all floors of the Woodward Ave., Spirit Way, and West Pensacola St. Garages (including all overnight areas). Motorcycles and scooters must also be removed from designated Booster parking areas – regardless of whether or not they are parked in motorcycle/scooter parking spaces. Please view the FSU Football Game Day Parking Map to assist in locating parking lots impacted by football (restricted football lots are shown in red). The tow company will be Hobkirk Enterprises Towing & Recovery, phone number (850) 224-6456.

While some lots and garages are reserved during football games, campus parking is still available for students, faculty, and staff. All floors of the Call Street and Traditions Way Parking Garages are available for overnight parking from 4:30 p.m. on Friday through Sunday. Overnight and commuter parking is also available in numerous parking lots on the northern and eastern sides of campus during the same time frame. Please review the FSU Football Game Day Parking Map to assist in locating parking lots available to students, faculty, and staff on football game weekends (open lots are shown in yellow).

All vehicles parked on the IM Fields (Booster Lot 14) must be removed within 3 hours after the end of the game. Remaining vehicles will be towed at the owner's expense.

Disabled Parking Program (DPP)

Florida State University is committed to ensuring that individuals with disabilities are not discriminated against and that they have equal opportunity and access to all the rights and privileges enjoyed by those who are not disabled. The University complies with all applicable federal and state laws, regulations, ordinances, orders, and rules.

In addition to complying with applicable laws, FSU has dedicated disabled parking for home football games. Due to the high demand for parking during FSU football games, these parking spaces are available through an application process.

Disabled parking spaces for FSU football games are located either adjacent to the stadium or in the West Pensacola Parking Garage (Booster Lot 9), which is located on the northwest corner of St. Augustine Street and Walker Street (just south of West Pensacola Street). Individuals provided access to a disabled parking space or area will be mailed information that includes a game day parking placard(s) and a parking map with directions to assigned space or area. The placards are non-transferable and remain the property of Florida State University.

Every attempt will be made to accommodate each request. However, due to the limited allocation of parking spaces, assignments will be made on a first-come, first-served basis. An individual who has received a parking placard in a prior year will not automatically receive a parking placard for subsequent years; an application must be completed each year. Any applicant who applies for disabled parking but does not receive a space due to limited availability will be placed on a waiting list in the order that the request was received. At the time a space becomes available, the applicant will be promptly notified.

An individual who receives a parking assignment as a part of their Seminole Boosters package must choose either their Booster location or the disabled parking location, but not both. Selecting disability parking will cancel the Boosters parking assignment. [Football Ticket Information](#): *Don't forget to request seating accommodations, if needed.*

Capital City Pedicabs has been authorized to provide an additional transportation option for those with disabilities. Only Capital City Pedicab has been authorized to provide this service, and their pedicabs will be marked with stadium cart access permits. Pedicabs will be available around the stadium in Lots 1, 2, 3, 4, 5, 6, 9, and Champions Way. Capital City Pedicabs operate 4 hours before kickoff and 1 hour after. This service is free to patrons with disabilities (but tips are appreciated). To use this service please call or text (850) 567-6255.

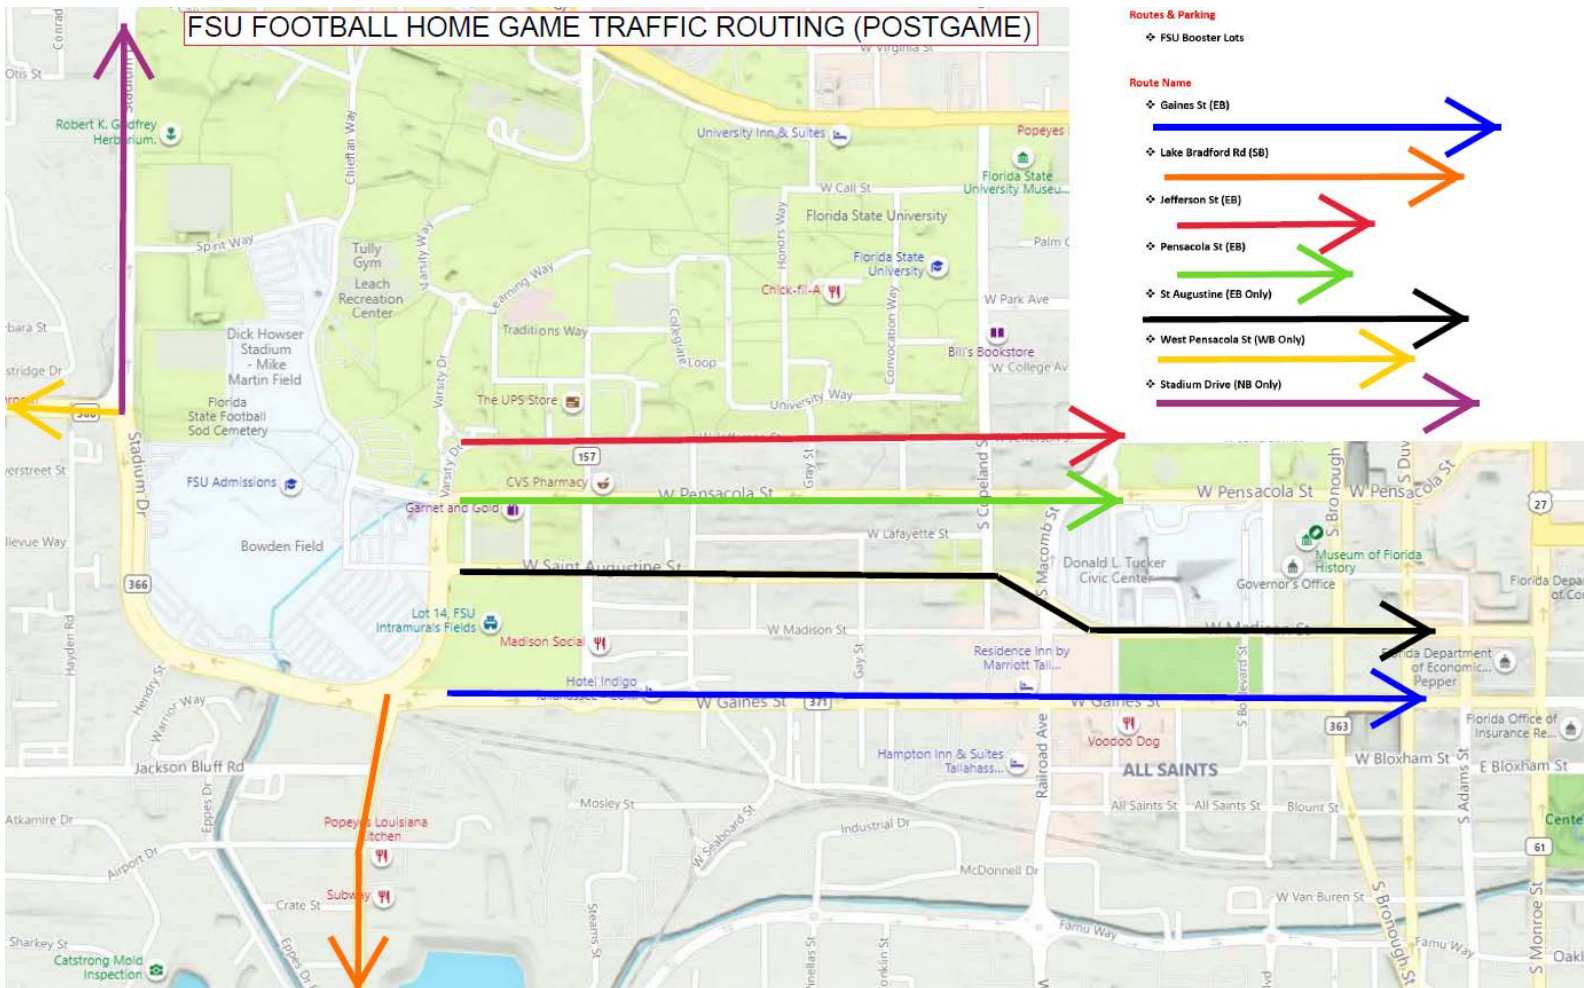

The University's traffic management plan is coordinated with local and state law enforcement to give fans a safe and timely arrival and egress solution.

Law enforcement personnel will be positioned at major intersections and event staff will assist with parking lots at the conclusion of the game to direct traffic flow off campus. Please keep in mind that staff may be forced to change directions and routes on a game by game basis because of unforeseen circumstances such as accidents, traffic and other issues that often arise on game day. Please note that these actions always have the fans' best interests and safety in mind and are in no way meant as a hindrance. The goal of The Florida State University and City of Tallahassee staff and law enforcement is to provide the safest and most efficient routes, both on and off campus.

Post-Game Traffic Routes

Tailgating

As detailed in the FSU Alcohol Policy “tailgating” are gatherings occurring in the designated parking areas surrounding the area of Doak Campbell Stadium prior to and after scheduled football games.

- (a) Florida State University does not support or condemn the consumption of alcohol by individuals 21 years of age or older at tailgate events.
- (b) Florida State University does not condone any act related to excessive consumption of alcohol that impairs, interferes, or endangers the safety or enjoyment of anyone attending these events, including the individual who chooses to consume alcohol.
- (c) Individuals who choose to consume alcohol are responsible for their behavior and should not operate a motor vehicle after they have consumed alcohol.
- (d) The use of charcoal at tailgating activities on campus is strongly discouraged.
- (e) Tailgating: locations not reserved for booster operations (parking or traffic control) are on a first come first served basis. Tailgate locations cannot disrupt pedestrian traffic on sidewalks or violate university rules or state laws for safe operation.

How is alcohol consumption managed on game days?

Legal and responsible consumption of alcohol is allowed on campus on game day. Please note the university police works in conjunction with local and state law enforcement such as the Leon County Sheriff's Office, Tallahassee Police Department, Alcohol Beverage and Tobacco and the Florida Department of Law Enforcement. Underage alcohol consumption laws are enforced, and violators are subject to arrest.

NEVER DRINK AND DRIVE. The Leon County Multi-Agency DUI Strike Force patrols during game day weekends to strictly enforce Florida's impaired driving laws. The message is simple – Drive Sober or Get Pulled Over!

Tents and Tailgating in Seminole Booster Lots

Tailgating is fast becoming a time-honored tradition at Doak Campbell. While we encourage you to have a good time, please act responsibly. Fans utilizing booster parking lots are permitted only one parking space per vehicle. We ask you to minimize your tailgating space to permit free movement of vehicle and pedestrian traffic. Lots will open five hours prior to kick-off. No one is allowed to setup a tailgating site prior to the five-hour opening.

Tents, tables, tarps, or canopies are not permitted in areas that impede foot or vehicular traffic or if they extend into an adjacent parking space.

SPECIFIC GUIDELINES

Saving spaces for other motorists is not permitted.

Keep Travel Lanes Open - Vehicles must be given ready access to parking spaces. Tents, tables, and other tailgating items cannot obstruct travel lanes. Safety of tailgaters and emergency vehicle access represent our top priorities.

Tailgating Restriction Lines

Boosters are asked to restrict all tailgating activities within the new restriction lines that have been painted for booster lots 1-6. (See Image)

Oversize Vehicles

An oversized vehicle is defined as being more than 18 feet long and 7 feet in width. There is motor home parking available for boosters by reservation.

Smaller Motorized Vehicles

Golf carts, mopeds, scooters, ATVs and go-carts are not permitted in booster lots unless specifically authorized.

Tents

Size: 12' by 12' is maximum size permitted in order for movement in an emergency. A tent cannot be staked to the ground and must be made of a fire-retardant material.

Food/Trash Disposal

Do Not Dump Hot Coals in trash receptacles or on parking lot grounds. All tailgating material and refuse should be disposed of in a safe manner.

Responsible Behavior

The Parking lot is not a playground. For the safety of neighboring fans, the tossing of flying objects, Frisbee, ball playing etc. is prohibited. Similar activities involving skateboards, scooters, roller blades, bicycle "trick" riding, live bands, and excessively loud music are prohibited.

Soliciting

Any soliciting, selling, or free distribution of articles in parking lots without Seminole Booster approval is prohibited. Violators are subject to trespass or arrest.

Golf Carts

Golf Carts on Game Day

Golf carts will be available for disabled parking patrons before and after each game.

The golf cart service will begin approximately three (3) hours prior to kick-off and continue one (1) hour after kick-off. Service will resume approximately thirty (30) minutes prior to the end of the game and continue one (1) hour after the end of the game.

Specific information on pick-up and drop-off locations will be made available closer to the first game day.

Personal golf carts are prohibited. An assigned decal must be affixed to the golf cart on game day for authorized operation. Unauthorized golf carts will not be permitted to operate on campus on game day.

The Florida State University Athletics Department and the FSU Police are announcing a clear bag policy for all athletic events beginning with the 2016 season.

The clear bag policy will provide a safer environment at home events and should significantly expedite fan entry into FSU athletic venues including Doak Campbell Stadium.

The policy closely matches those already in place at all NFL stadiums.

Under the policy, each fan is allowed one clear bag (plus clutch or small purse) into FSU home athletic events that conform to the following restrictions:

- CLEAR plastic, vinyl or PVC that are no larger than 12" x 6" x 12" (readily available one-gallon, clear, re-sealable plastic storage bags meet the policy)
- If a logo appears on the bag, it cannot be larger than 4.5" x 6.5"
- Small clutch bags no larger than 4.5" x 6.5", or approximately the size of a hand, with or without a strap are allowed.
- Medically necessary items that are too large to fit into a clear bag within allowable dimensions can be brought in only after clearing a screening process at GATE C.

Emergency Response

The FSU Police Department, local law enforcement partners, and other emergency management professionals go through great lengths to ensure the safety of game day patrons before, during, and after the game. In the event of an emergency during the game, officials have the capability of communicating with fans through the stadium public address system, the main video screen, televisions located near vending locations within the stadium in addition to other means of communication using the FSU Alert Emergency Notification System. Instructions will be given to fans regarding evacuation orders, or other information that may convey important emergency information. Fans should at all times carefully listen to instructions and follow them. Law enforcement officers and other public safety professionals are provided with emergency instructions and training to assist in the event of a major emergency.
