Florida State University Police Department Scheduled for Reaccreditation Assessment

The Florida State University Police Department is scheduled for an electronic assessment as part of a program to achieve reaccreditation by verifying it continues to meet professional standards. The assessment is scheduled for July 14-16, 2020.

Administered by the Commission for Florida Law Enforcement Accreditation, Inc. (CFA), the accreditation program requires that agencies comply with approximately 260 professional standards. A team of assessors will examine all aspects of the agency's policies and procedures, management, operations, and support services. The assessors will review written materials, interview individuals (remotely), and visit offices and other places where compliance can be witnessed (remotely).

As part of the on-site assessment, agency employees and members of the community are invited to offer comments to the assessment team. A copy of the standards are available through Lt. Carrie Allen, Florida State University Police Department, 850-644-1940 or email: caallen@fsu.edu.

For more information regarding CFA or for persons wishing to offer written comments about the Florida State University Police Department's ability to meet the standards of accreditation, please write to: CFA, P.O. Box 1489, Tallahassee, Florida 32302 or email: flaccreditation@fdle.state.fl.us.

Once the Commission's assessors complete their review of the agency, they report back to the full Commission, which will then decide if the agency is to maintain accredited status. Verification by the team that the Florida State University Police Department meets the Commission's standards is part of a voluntary process to gain or maintain accreditation
